EDUCATION

2022 San Diego State University, Psychology
Biology Minor
Counseling and Social Change Minor
Dean's list Fall 2018, Spring 2019, Fall 2019, Spring 2020, Fall 2020

RESEARCH EXPERIENCE

- 2021-Present Research Assistant in Healthy Child and Family Development Lab (HCFD) at SDSU
- Processed interview data of teacher focus groups that aimed to identify the unmet needs of underserved schools and inform future behavioral interventions.
 - Assisted in creating a survey via Qualtrics to be distributed to students from underrepresented areas in STEM to gather data on how students feel about their identity as a researcher.
 - Collaborated on the editing of the website with fellow lab members to make the website more user friendly
 - Attend a weekly meeting to stay informed on lab updates and recent projects to complete
 - Work alongside graduate students at SDSU and UCSD to brainstorm proper research designs when conducting research experiments.
- 2020 Supplemental Instruction at SDSU's Student Research Symposium Presentation
- Worked with the Supplemental Instruction (SI) team to determine if SI attendance was a valid predictor of grade distribution among first-generation students attending SI.
 - Analyzed data in order to present research findings at the Student Research Symposium at San Diego State.
 - Created a poster and abstract that highlighted research methods, materials, and results.
 - Designed visual graphs to display the results clearly
-
